

HORSEHEADS ROTARY CLUB

Over 75th Years of Community Service!

January 21, 2004

Visiting Rotarians: Mike Semski from Elmira Heights. Peter Howell was here as a guest of Joe Monte. The Spaghetti Supper went really well. The sauce was delicious as usual and so far we have made \$695 for the evening! A suggestion was made that we consider moving the spaghetti supper to election night. It just seems that we have quite a lot of activities lumped together in 2 months. Everything might do better with a little distance between each activity.

Kathy Shoemaker was John Tallis' guest speaker. She told us of the joys and frustrations of buying and selling on EBay. Some of it most of us have heard about but there were a lot of details and interesting facts that came out. Thanks to Kathy and to John for a very good program.

Debbie Brenzo won \$10 in the weekly pot. We were disappointed that she did not win the BIG POT of \$209!

John Groff missed the dinner but he did Not miss Bob Cunningham. Our Interact Club is holding a pinning ceremony today- to award pins to members who have worked a certain amount of hours on their projects. Bob Cunningham reminds us we MUST have our raffle tickets back by Wednesday the 28th of January-no exceptions!
