

**HORSEHEADS ROTARY CLUB**  
Over 75th Years of Community Service!

**February 11, 2004**

Visitors: Pete Howell was a visitor and guest of Joe Monte. He has also applied for membership. His name is now officially listed as a potential member. Any questions or comments should be directed to President Marty Ennulat.

\*\*We are looking for a host family for Erica's last few months here. Pres. Marty feels he may have a family lined up, but please continue to be looking.

\*\*Kathy Shoemaker reports there are 11 teams for the Spelling Bee so far. We need a few more. If you can help out the day of Sat., Feb. 28th please let Kathy know ASAP.

Program: Nancy Zito introduced Katie and Jamie from the American Red Cross. Katie is the Blood Services Coordinator.

She told us some interesting facts. About 95% of the entire population will require some form of blood and/or blood products by the time they are 85. Only 4% of the eligible population donates blood. We are at an emergency low level of blood supplies in our community. With a 7 day supply being the norm, we are currently at a 1 day supply. This is a problem. It also shows the importance of giving blood within your own community. Please help out by yourself and in your workplace. Great program!

**Celebrations 'n Fines:**

Several esteemed members missed meetings and Board Meetings! Bob Cunningham was back from his cruise and gave us a nice report-"the beer was good"! He was our replacement for the missing Bud Kennedy this week. We were glad to have him back to help with our singing today!

Kathy Shoemaker won her court case. Elliott, Jr. and Marty were the only 2 that showed up for a planning meeting. Stan Cullen remembered his buddy's birthday with a donation to the Paul Harris Fund. Thanks, Stan!

The returning Bob Cunningham saved his luck for the 50/50 raffle today. He won the \$11 weekly pot. The BIG POT is up to \$233.!
