Just wanted to let you all know that after all we went through this last year with my battle with cancer Alan and I have organized a Cancer Walk in our park to be held March 22, 2004. We will be the first park in this area to undertake such an event. The Cancer Society is very excited. We have approx. 250 people who will be participating. We are looking for any donation from our friends and family to help make this first Cancer Walk a success. If any of you would like to sponsor Alan and I we would appreciate it. Check should be made out to the American Cancer Society and mailed to us at 5100 60th St. East. Lot C-12, Bradenton Fl 34203. This event has been very uplifting for Alan and I and we hope to make it an annual event in our park. All our love, Alan and Linda

Take care and God Bless

## HORSEHEADS ROTARY CLUB

Over 75th Years of Community Service!

March 10, 2004

Visitors: RC Ike from Chemung Sunrise, Archie Keifer from Elmira Rotary. Bob Adkins welcomed his visitor, Rev. John Rafter, the rector of St. Matthews Church in HHDS. Our exchange student from Brazil, Erica Watanabe was with us today.

**\*\*We were pleased to to have Tom Dean induct our newest member today. Peter Howell is the branch manager of the HSBC Bank in Elmira Heights. Pete's sponsor was Joe Monte. Welcome to Horseheads Rotary, Pete-we look forward to your new member speech!**

**50/50 Raffle: \$12 went to Bob Cunningham for the weekly pot. The BIG POT of \$273 remains out there... just waiting!**

**PROGRAM: Archie Keifer is a member of the Elmira Rotary as well as being the Chemung County Historian. We always welcome Archie, not just for his entertaining programs but for his wealth of knowledge on our area. The program today was a slide show of bridges in Chemung County. This includes their history as well as anecdotes about the area. This particular slide show has been put into booklet form, which is available at the county museum.**

**Radio Days was another successful activity. We raised over \$1100 this past weekend! Thanks to all who helped out-Rotarians working, donations made and thanks to all of our sponsors for their help! The District Conference is coming up! March 27th in Bath. Talk to Bill Tanner if you are interested in going. Any newer members-plan on making the trip!**

### Fun, Facts & Fines:

Anyone missing the Board Meeting will not be fined as it has come to light that Pres. Marty may not have informed everyone. Since he is not at this meeting all blame will be placed on his shoulders and he will be fined \$2 at the next meeting! Carol Savino celebrated her anniversary and her Mom's 91st birthday! Pres.Elect Bill Tanner turned 50 this last weekend! Kathy Inman's house was featured in the paper so she was fined. Stan felt badly for missing meetings. Marianne Kalec came back from Florida with a nice tan. And yes, the beer was good! John Tallis recognized the good work done on Radio Days. Bob Adkins has set the date for the HUGE Rotary Centennial Cycling Race. Looking ahead, it will be on June 11, 2005. Details to follow. And speaking of looking ahead, Tom Hoffmann is looking forward to Bob Cunningham's upcoming 75th. He must have good eyesight 'cuz it is a looong way off!
