

At the time I send this, I see that Past President Dan Brojenkowski (2002-03) is responsible for the program. I also see that group study exchange will be there on the 21st However, it is unclear if that is the program to be presented. Anyway, it sounds interesting to see how programs like GSE are mutually beneficial to all parties involved.

HORSEHEADS ROTARY CLUB

Over 75th Years of Community Service!

April 14, 2004

Visiting Rotarians: John Kohena from Elmira Heights Rotary.

Program: Katie Hughes was introduced by John Brinthaup. Katie told us that due to all the changes in the Homeland Security Act, there have been many more challenges for her to face as County Clerk and at the DMV. These changes are mandated at the state level but she and her 8 employees at the DMV are the one to deal with the people. Also please note that any time you renew your license or registration online, Chemung County does NOT get any revenue from the transaction-it all goes to Albany. Katie has worked on several ways to streamline your visit to the DMV. Thanks for a very interesting talk, Katie. And good luck in the coming election.

Camp STAR Golf Tournament is June 18th. We need 2 sponsors at \$200 each and anyone can play for \$60. See Stan Cullen for more info.

Park Station Cleanup is now set for April 24th from 9 to 1. Bring rakes and gloves!

GSE- Group Study Exchange from Germany will be at our meeting next week on the 21st! Please make an extra effort to be at the meeting to welcome our visitors! See Pres. Marty to sign up for our adopt a blood drive program coming up soon.

Bob Cunningham won \$10 but did NOT get the big pot of \$318!
Bill Tanner tells us he will be unemployed as of April 15th.
Elliott Blauvelt asks us to look at the new roster and make any needed changes. John Tallis took notes at the board meeting and now no one can read them. Nancy Zito stood Bill Tanner up for lunch last week. John Brinthaup celebrates 35 years of marriage. He also paid for media attention. Stan Cullen passed around a plaque received from the Food Bank for our help. They would like us back! Kathy Inman missed some meetings and missed the people even more! It seems quite a lot of us missed the last Board meeting-maybe there wasn't really one there after all?!

Upcoming Program Schedule:

Apr. 28th-Stan Cullen
May 5th-Club Assembly
May 12th-Bob Cunningham
May 19th-Tom Dean
May 26th-Marty Ennulat
