

## HORSEHEADS ROTARY CLUB

Over 75th Years of Community Service!

June 16, 2004

Today's program: Sgt. Ken Ham is a worker at BOCES. He is also in the National Guard. Ken recently returned from his deployment in Afghanistan where he was the squad leader for 11 soldiers in his unit. He told us many interesting stories about his tour of duty. Even though the public only hears the bad news, Ken felt that they did a lot of good over there. The people there came to trust and to like his men and they were responsible for building many schools and other buildings as well. Ken feels that there will always be trouble unless we can educate the next generation and give them opportunities of their own.

----  
We celebrated Elliott Blaavelt, Sr.'s 91st birthday with a cake and cards and some wonderful singing led by our visiting Ron Varnum. We really liked your voice, Ron!

-----  
Our District wide birthday party will be on Saturday, August 14th. If you want tickets to the Beach Boys concert @ \$12, you must see Bill Tanner ASAP!

Nancy Zito tells us our Teal Park day is July 15th. We will need workers from 4 pm until cleanup. Mark the date on your calendars now!

Tom Dean won the weekly pot of \$10! Nothing in the BIG POT as of yet!

June 30th is our changeover dinner. It will be held at Horseheads Holiday Inn. Happy Hour at 6:00 pm and buffet dinner featuring chicken, beef and fish will start at 7:00 pm.

The cost is \$25.00 per person. Please have your money in by June 23rd!

At the very least let us know if you plan on coming that evening.

There will be NO NOON MEETING on JUNE 30TH!

It was very nice to see Ron Varnum here again. Tim Brautigan brought Chris Brown as his guest.

Happy backs and fineable items: Pete Howell will be MIA for the next few weeks. He is off to be married and to go on his honeymoon. Best of luck, Pete! Tim Brautigan missed a few weeks as well. The Teal Park Cleanup was last weekend. Anyone missing that fun event was fined. Kathy Inman missed a couple of weeks. Len Ostrander's daughter turned 2 already! Brenda Barnstead is celebrating her husband Cal's birthday. He was a great help at the cleanup! Bud Kennedy has a story to tell us when we have more time. There is still time to go to their District Governor Changeover Dinner. It will be at the Elmira Country Club-See Bill Tanner.

JUNE 2004

From our President:

Here we are into another month and hopefully there will be a little less rain and more sunshine.

May was rather uneventful, no newsletter so that saved us on postage. We're going into an interesting and fun time of year, our concerts in Teal Park and Zim House tours every Thursday afternoon 2 to 4 and 5 to 7. We always invite the tour takers to stop over to the park and enjoy the music and refreshments.

Enjoy the fun times of summer.

Betty Bennett
